Subject: SB16 OPPOSE

I OPPOSE this law and ask you to vote NO when it comes before you.

There are enough gun laws on the books already that are not being enforced.

I am a Veteran and I do not agree with this proposed restriction of my right to bear arms. Please do not add more laws that restrict law abiding citizens from following their **US Constitution Second Amendment** rights and **CT Constitution Art. 1: Sect 15** rights to bear arms in defense of themselves and the State.

Thank you very much
